DECLASSIFICATION ORDER

Date: [REDACTED]
Document ID: [REDACTED]
Agency: [REDACTED]
Classification Level: TOP SECRET
Authorized By: [REDACTED]
Distribution: [REDACTED]

SUBJECT: DECLASSIFICATION OF INTEGRITY OF STELLAR (IoS) CREATION ORDER

1. BACKGROUND

Pursuant to directive [REDACTED], a review has been conducted regarding the classified status of the Integrity of Stellar (IoS) creation order. Following extensive assessment by [REDACTED], it has been determined that portions of the document can be declassified.

2. DECLASSIFICATION DETAILS

Effective immediately, the following sections of the IoS creation order are declassified:

- **Section 1: Purpose**
- **Section 2: Background** (with certain sensitive details redacted)
- **Section 3: Objectives**
- **Section 4: Projects** (high-level descriptions only)
- **Section 5: Operational Directives** (general directives only)
- **Section 6: Command Structure** (excluding individual names)
- **Section 7: Timeline** (excluding specific dates)

3. REDACTED SECTIONS

Certain information remains classified to protect national security interests and the integrity of ongoing operations. These include but are not limited to:

- Specific dates and personnel names.
- Detailed funding allocations and sources.
- Specific collaboration entities and partners.

4. DISTRIBUTION AND ACCESS

The declassified portions of the IoS creation order are now available for public access and distribution through the following channels:

- Github
